NATIONAL CENTER FOR RURAL HEALTH WORKS WORKSHOP & WEBINARS:

Pre-workshop Webinar Dates:

May 31, 2018; 1:00 pm – 2:15 pm

The National Center for Rural Health Works (NCRHW) is offering one Pre-workshop webinars to provide a background on NCRHW and a review of all the tools and products NCRHW has to offer, in order to determine, which tool would be of most use to the participant during the workshop. Participants will be able to choose the NCRHW products of highest interest that they would like to work with during the workshop. ***** Information about the Webinar will be sent to each individual that registers for the Workshop the day before the Webinar date.**

NCRHW Workshop Date:

June 14, 2018; 8:30 am – 4:00 pm

- Rural Health Economic Impact Tools
- Community Health Needs Assessment Toolkit
- Health Care Workforce Needs Assessment
- Mapping Portal and Data Visualization

Presenters:

Gerald Doeksen, Ph.D.

Dr. Doeksen is Regents Professor/Health Economist for the Department of Agricultural Economics at Oklahoma State University. Dr. Doeksen was awarded the American Rural Health Association Research Award for developing medical-practice feasibility guidebooks and was honored by the Journal of Emergency Medical Services for his guide for planning rural EMS systems. Dr. Doeksen has worked with communities and health care providers in Oklahoma for over 35 years and co-founded the National Center for Rural Health Works.

Ann Peton, MPH

Ann Peton is the Director of both the NCRHW and the Analysis of Healthcare Data (NCAHD) located on the campus of the Via College of Osteopathic Medicine in Blacksburg, Virginia. She has over 30 years' experience working with local, state and national entities and individuals regarding GIS applications and usage. She established NCAHD in order to create and provide the most complete and consistent set of health care workforce data and mapping tools in the nation for physicians and 15 other non-physician health care providers. Ms. Peton has established successful partnerships with the American Medical Association, the American Osteopathic Association, the Health Resources and Services Administration, and many other health care agencies and organizations.

Ryan Hutchinson, M.S Econ

Ryan is Assistant Director of NCRHW located on the campus of Virginia College of Osteopathic Medicine in Blacksburg, VA. Ryan joined the team in March 2018. He brings to the team expertise in economic modeling, trend analysis, and economic impact studies. He will be a large part of the marketing presence for the National Center and hopes to provide the best service to the National Center's stakeholders and clients.

The Workshop will also include Guest Speakers to be determined!
